GENERAL CONDITIONS OF SALE

A.) GOODS ORDERS AND DELIVERIES

1. The general conditions of sale of Pietranera S.p.A. shall be considered tacitly accepted by the purchaser at the time of order dispatch.
2. Orders can only be accepted if made in writing
3. The date of delivery shall be considered made by Pietranera S.p.A. on the basis of product availability at the time the order was placed.
4. Any amendments, changes or cancellations made by buyers to orders already in progress shall entitle Pietranera S.p.A. to charge the buyer any further costs sustained
5. Packaging of the goods is included in Pietranera S.p.A. prices; any special packaging on request shall be charge separately
6. Goods are sold Ex-Works Reggio Emilia. Good always travel at the buyer's risk, including those dispatched carriage free. Pietranera S.p.A. cannot accept any liability whatsoever for missing products, faults and any other occurrences during transport.
7. If the goods are not collected by the buyer within ten days from the date of notification that the goods are ready, Pietranera S.p.A. shall be entitled, without further notification, to charge storage costs to the extent contemplated by customs warehousing tariffs.
8. Under no circumstances whatsoever shall the buyer be entitled to refuse collecting or clearing the ordered goods; in the event of its doing so, all expenses incurred relating to such refusal shall be borne by the buyer
9. The buyer has 8 days from receipt of goods in which to notify Pietranera S.p.A. of any nonconformity of goods to order.
10. All return of goods, for any reason whatsoever, must be authorised in writing by Pietranera S.p.A. to the buyer
11. Pietranera S.p.A. is authorised to make changes intended to upgrade the functionality and aesthetics of the articles without being obliged to notify the buyer of such changes beforehand. The colours shown on Pietranera S.p.A. collections are merely approximate and are not binding, inasmuch as variations in shade are possible for reasons beyond the control of Pietranera S.p.A..

B.) WARRANTY

1. Materials manufactured by Pietranera S.p.A. are covered by a 12-month warranty. Within this period, the company undertakes to replace or repair items with manufacturing faults, returned carriage free to Reggio Emilia. In the event of spare parts being requested, transport costs and risks shall be borne by the buyer. In all cases, the warranty does not cover labour, or any damage suffered by the buyer.
2. Spare parts requested by the buyer will be invoiced by Pietranera S.p.A. according to normal procedures. The buyer shall return, at its own expense, the faulty parts to be replaced in the factory of Pietranera S.p.A.. The latter shall determine whether the warranty conditions exist as indicated at point B.1 and shall issue a credit note in favour of the buyer.

C.) PAYMENTS

1. Unless otherwise agreed, all invoices shall expire within 30 days from date of issue and shall consequently be payable by that date.
2. Delay in paying for goods with respect to the agreed terms shall result in the immediate charging of interest on delayed payment at the official bank rate increased by six points, these general sales conditions being intended as a written injunction in accordance with art. 1219 of the Civil Code. Costs shall be charged according to the actual amount paid by Pietranera S.p.A..
3. The term or terms laid down in favour of the buyer for payment of the goods shall be considered expired, in accordance with art. 1186 of the Civil Code and with respect to all the supplies made, in the event of the buyer failing to make even one of the contemplated payments. In this case, the buyer, upon being requested to do so, shall fulfil all the pecuniary obligations in existence with Pietranera S.p.A., which shall nonetheless be authorised to issue a sight draft for all outstanding credits.

D.) NORMS AND COMPETENT COURT OF LAW

1. Special sales conditions established from time to time, and by way of departure from the aforementioned general conditions, shall only amend the specific points indicated in the relevant agreements, without affecting the remaining points.
2. Any agreements as at the previous point shall only be valid and binding if made in writing.
3. In the event of disputes relating to the enforcement of the "General Sales Conditions" the competent Court of Law shall be that of Reggio Emilia.

E.) GENERAL INFORMATION

1. To clean imitation leather covers (upholstery?), no special method is required. Normal dirt can be removed with a damp cloth (not wet). Dry-foam, readily available on the market, can also be used.

Do not use abrasive detergents or solvents

The manufacturers cannot guarantee the removal of stains caused by chemical dyes or acids.

2. In the case of coverings made from materials supplied by the customer, no deduction can be made and no assurance can be given of the final quality standard of the job.

3. Aluminium parts (bases, armrests, etc.) must not be cleaned using abrasive products.

Any imperfections due to the natural porosity of the material shall not be considered faults.

4. For the wood parts, because this is a natural material, the colour is affected by factors beyond our control, such as grain, seasoning, ageing and others, which do not permit achieving exactly the same colour.

5. The colours shown in the catalogue illustrations are approximate, being subject to shadow, light, reflections and colour composition during printing.
